A.—TO THE DRIVING PUBLIC.

We are now applying to side bar wagons a simple attachment, which produces A PERFECTLY FASY, LLVEL RIDING WAGON, entirely free from rattle or 'creak,' and giving increased strength and salety, without adding to the weight.

With this improvement we are also using (after a thorough trial during the past three years) the parallel or straight arm axle, running with greater precision and less friction than any axle ever used for speeding.

Gentlemen interested in driving matters are invited to examine these improvements at our lactory, Broadway and Forty-seventh street, or at our warerooms, Fifth avenue and Fourteenth street.
